a timely feminist intervention on gender communication and women s human rights the  
handbook on gender communication and women s human rights engages contemporary  
debates on women s rights democracy and neoliberalism through the lens of feminist  
communication scholarship the first major collection of its kind published in the covid 19 era  
this unique volume frames a wide range of issues relevant to the gender and  
communication agenda within a human rights framework an international panel of feminist  
academics and activists examines how media information and communication systems  
contribute to enabling ignoring questioning or denying women s human and  
communication rights divided into four parts the handbook covers governance and policy  
systems and institutions advocacy and activism and content rights and freedoms throughout

the text the contributors demonstrate the need for strong feminist critiques of exclusionary power structures highlight new opportunities and challenges in promoting change illustrate both the risks and rewards associated with digital communication and much more offers a state of the art exploration of the intersection between gender communication and women s rights addresses both core and emerging topics in feminist media scholarship and research discusses the vital role of communication systems and processes in women s struggles to claim and exercise their rights analyzes how the covid 19 pandemic has exacerbated structures of inequality and intensified the spread of disinformation explores feminist based concepts and approaches that could enrich communication policy at all levels part of the global handbooks in media and communication research series the handbook of gender communication and women s human rights is essential reading for advanced undergraduate and graduate students in media studies communication studies cultural studies journalism feminist studies gender studies global studies and human rights programs at institutions around the world it is also an invaluable resource for academics researchers policymakers and civil society and human rights activists
